

Co-producing Adequate Housing: Monitoring Smart Inclusive Transitions (SIT) towards Equitable Cities

OVERVIEW

This Urban Library Session launches the Smart Inclusive Transition (SIT) Framework and its first comprehensive application in Suwon, exploring:

20 MAY 2026 
13:30 - 14:30

- ▶ How cities can assess whether smart urban transformation is translating into tangible improvements in quality of life and access to housing and essential services.
- ▶ How SIT monitoring frameworks can be operationalised to inform governance, budgeting, and service delivery.
- ▶ How SIT can be adapted and scaled across diverse urban contexts to support equitable housing and essential services globally.

URBAN LIBRARY ROOM A
